Dear Laymon:

Just two short weeks ago you participated in the 2010 NASC National Conference Speakers Showcase at IUPUI in Indianapolis, IN. More than 1,300 participants representing 50 states in the U.S. plus the Virgin Islands were in attendance. Think about the vast effect you have made throughout the U.S. and beyond as you shared your talents, skills and motivation with today's future leaders.

Both the attendees and I appreciate your commitment to education and your enthusiasm for student activities. Having you participate in the conference was indeed special and I hope you enjoyed the experience. Thank you for making the commitment to share a very special part of you with all of us.

From all accounts the NASC Speakers Showcase was indeed a huge success. You are the reason for this success. Below you will find actual quotes taken from the adviser evaluations pertaining to the speakers showcase:

"The most effective experience this year was having the opportunity to see all the different speakers – all were really good. Lorie Demry (IL)

"The speaker showcases were effective and enlightening." Salvador Lopez (AZ)

"The speakers focused on personal changes I can make and improve the effectiveness of my teaching and the interactions I personally have with students. Thank you." Kristy VanMeeteren (SD)

Thank you again for being a part of our NASC Speakers Showcase! Please do not hesitate to contact me if I can ever be of assistance to you.

Sincerely,
